Kakani Shivapuri Hike

Introduction

Kakani which lies 23 km to the northwest of Kathmandu. it's a less crowded and more pristine destination which provides excellent mountain views of Ganesh Himal, Langtang and therefore the Annapurnas. The offerings of nature provide the impetus to go to Kakani. And nature lovers will hail the close-up view of Ganesh Himal to the north. Also because of the beautiful oak and rhododendron forests on the south slope leading right down to Balaju.
