

## Shivapuri hike

### Introduction

On Capitol Hill: Shivapuri, just north of Kathmandu valley, this is an accessible place to see orchids, [rhododendrons](#), and other flora of the central hills forests and also popular for panoramic mountain views. Some of these include [Mt. Manasalu](#), Ganesh Himal, and [Langtang](#). Shivapuri forest is a home for varieties of birds; it can be a prime destination for the bird watcher. You can also explore the beauty of Kathmandu valley, local people, and their culture and traditions. Shivapuri hill is a natural paradise to spend hiking around Kathmandu. It is a continual walk to the top of Shivapuri hill. Shivapuri hill is also the second-highest hill in Kathmandu valley after [Pulchowki hill](#). During the hiking, you can see the origin of the Bagmati river, Bagdwar. Which is considered a holy river by both Hindus and Buddhists.
