

Phulchoki Hill Hike

Introduction

The Phulchoki hill situated south from the heart of Kathmandu at an altitude of 2800 meters. It is very near the modern city Kathmandu but it takes you very close to [nature](#). It gives you a breathtaking view. You also have an amazing view of the valley below. Nature lovers will be able to view gardens of wild rose, yellow jasmine, iris, and other more native flowers. The hike leads to the top through the [rhododendrons](#) forest and Buddhist shrines.
