Kailash Tour

Introduction

Kailash tour is a combination of spiritual and adventure activities. It could motivate us to change our lifestyle. Mount Kailasha and Mansarovar Lake are ideal places for the spiritual psychological beliefs of human beings. Kailash is the abode of Lord Shiva for Hindus, home of Buddha Demchok for Buddhists, the spiritual seat of power for Bon followers, and the place of Rishabhadeva, the creator of Jain religion. These two types of experienced trek and drive trips begin at Kathmandu. While on the flight and drive, you cross some of the most stunning landscapes, serene mountain towns, unique valley and mountain terrains, and high passes. During the trek and Kora pass hike along arduous terrains, this gives us a feeling of adventure expedition. This emotional and practical upheaval would be challenged physically. A thrilling yet grueling ordeal, your climb to an important milestone of the route - the Derapukh, is worth every ounce of energy spent on the hike. The breathtaking view of the first rays of the sun touching the peak, Mount Kailash painted gold, often called the “Golden Kailash”
